

# You're in Bear Country

All Bear Problems are directly linked to the availability of their natural foods; Humans generate many attractants. Let's work together in making our Country a place so that both bears and humans can enjoy.

Natural Attractants	Non-natural Attractants
- Wildlife Carcasses	- Garbage
- Berries	- Barbeques
- Grasses, Leaves	- Bird Seed
- Roots	- Pet Foods
- Dandelions	- Compost Piles
- Insects	- Fruit Trees
	- Livestock Feed (oats)
	- Agricultural Crops
	- Bio Fuels

By doing a few changes around your home you can minimize the possibility of bear conflict

If you witness bear activity around your property please report it to **Fish and Wildlife**  
**403-638-3805**

**Report A Poacher 1-800-642-3800**
