

## Help grow your County.

Join the County's new Economic Development and Tourism Advisory Committee

If you live in the county and feel you can contribute to the economic and tourism growth of our region, we'd like to hear from you.

The Economic Development and Tourism Advisory Committee will recommend short and long-term economic and tourism development strategies to County Council. Members will use their knowledge and expertise to facilitate the development of projects to be approved by Council.

We're looking for two members from each of the County's electoral districts to serve on the committee. Can you help?

For more information, please contact Doug Erdman,  
Economic Development Officer for Mountain View County

## Volunteer for Your County

## Mountain View County is 50 years old - Celebrate with us!

Throughout 2011, Mountain View County will be holding a number of special events to commemorate our 50th anniversary as a County.

If your County community or County-based organization is holding an all-ages celebration in 2011, we want to celebrate with you!

Apply now for funding up to \$500 to assist you with your big event in 2011!

For more information please call Joyce King at 403-335-3311 ext. 151, or visit [www.mountainviewcounty.com/50](http://www.mountainviewcounty.com/50) for details.

## Assessment Tracker

One assessor will be inspecting properties that were assessed in the preliminary stages of construction last year and any new construction for this year. Watch for him starting in Range 4 and moving east over the months of October and November.

Another assessor will be inspecting all properties in Ranges 5, 6, and 7 that were not recently inspected this year.

If you have any questions please contact the assessment department at 403-335-3311.

## Try our Solar Water Pumping System

Mountain View County has a portable watering system that can be used by County residents free of charge. The watering system is lent out for two weeks at a time to producers wanting to try an off-site watering system before purchasing one. The system incorporates a pump that uses solar energy to move water from a riparian source to another location for cattle.

The advantage of the system is:

- The ability to keep livestock away from sensitive riparian areas
- Reduced manure buildup in riparian areas/water source
- Cost effective water resources for livestock
- Improved water quality

## We'll cover your wire recycling costs!

Mountain View Regional Waste Management Commission, in conjunction with Mountain View County, will be collecting barbed and strand wire to be recycled:

**When-** From 9 a.m. to 3 p.m. weekdays

**Where-** Didsbury Landfill (two miles north of Didsbury, off of Range Road 20 and Twp. Rd. 314)

Be sure to come early- Mountain View County's Agricultural Service Board farmers will pay the recycling costs on the first 50 tonnes of wire delivered by Mountain View County residents.

If you plan to take part, please note:

- Barbed and strand wire must be rolled as tightly as possible.
- Wire must be free of debris (dirt, sod, posts, etc.)
- Once the first 50 tonnes of wire has been delivered, the cost of disposal is 10 cents per kilogram

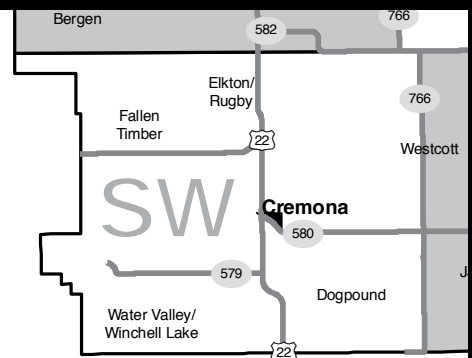

For more information, please contact the Sustainable Agriculture Specialist Amber Hines at 403-335-3311

**Please note: Effective November 2010, the Municipal Planning Commission will be changing their meeting dates from Wednesdays to the 1st and 3rd Tuesday of the month, from 10 a.m. to 1 p.m.**
