

# ALBERTA EFP

ALBERTA ENVIRONMENTAL FARM PLAN

Demonstrate your commitment to environmental stewardship by completing an Environmental Farm Plan!

Register online @  
**AlbertaEFP.com**

- Confidential
- Free
- Up to date, easy to access online workbook
- One on one support by a trained EFP technician
- 10 year renewal period

More than 1200 Alberta producers have completed their EFP online!

## Benefits

- Demonstrate environmental stewardship
- Understand and reduce the environmental risks
- Reduces costs, increases efficiency, access funding
- Use as a future planning tool

## What is Alberta Environmental Farm Plan?

The Environmental Farm Plan (EFP) is a voluntary, whole farm, self-assessment tool that helps producers identify their environmental risks and develop plans to mitigate identified risks. We are working together with farmers committed to environmental stewardship.

## We're here to help!

Contact us on our website [www.AlbertaEFP.com](http://www.AlbertaEFP.com) or by phone at 1-587-200-2552

- We offer one-on-one virtual help sessions! Book an appointment on our website
- Online webinars and online or in-person workshops:  
<https://www.albertaefp.com/efp-program/event-calendar/>

## Privacy

- AEFP is committed to protecting and respecting the personal information of you and your farm.
- Your EFP workbook and action plan belong to you, and are private and confidential.
